Failure to do so may delay proper execution of the contract.

Timely receipt of offers shall be evidenced by the date and time registered by the SPO time stamp clock. Offers received after the deadline shall be returned unopened.

If the Offeror chooses to deliver its offer by United States Postal Service (USPS), please be aware that the USPS does not deliver directly to Room 416. This may cause a delay in receipt by the SPO and the offer may reach the SPO after the deadline, resulting in automatic rejection.

In addition to the tax clearance certificate, an original "Certification of Compliance for Final Payment" (SPO Form-22), attached, will be required for final payment. A copy of the Form is also available at www.spo.hawaii.gov. Select "Forms for Vendors/Contractors" from the Hawaii Public Procurement Code, Chapter 103D, HRS, menu.

EXECUTION OF CONTRACT

No performance or payment bond shall be required for this contract.

For awards totaling \$25,000 or more, the State shall forward to the successful Offeror a formal contract to be signed by the Contractor and returned within ten (10) days in accordance with Section 3.3 of the GTC. No work is to be undertaken by the Contractor prior to the commencement date specified on the Notice to Proceed issued by the State upon execution of the contract by both parties. The State of Hawaii is not liable for any work, contract, costs, expenses, loss of profits, or any damages whatsoever incurred by the Contractor prior to the official commencement date.

For awards totaling less than \$25,000, the State reserves the option of issuing a Purchase Order in place of a formal contract. The issuance of a purchase order does not waive compliance with the Specifications, Special Provisions and GTC incorporated in the solicitation. The State of Hawaii is not liable for any work, contract, costs, expenses, loss of profit, or any damages whatsoever incurred by your company prior to receipt of the purchase order.

NOTICE TO PROCEED

No work is to be undertaken by the Contractor prior to the Commencement Date specified on the official Notice to Proceed. The State of Hawaii will not be liable for any work, contract, cost, expenses, loss of profits, or any damages whatsoever incurred by the Contractor prior to the official start date.

QUALITY OF VEHICLE

Vehicle furnished under these specifications shall be new, the best quality of its respective kind. Vehicle shall be free from defects that may render it unfit for use. Damaged or rejected items shall be immediately replaced with items of the quality required by these specifications.

Vehicle offered shall include any other standard features not listed herein but detailed in manufacturer's brochures or specifications literature and deemed necessary for the proper and safe operation of the vehicle.

Failure to replace any rejected items shall not relieve Contractor from the responsibility imposed upon him by the contract.

No payment, whether partial or final, shall be construed to be an acceptance of defective materials.

The State may, at any time by written order, stop any work or delivery of specific products not conforming to these specifications. Such stop order shall not relieve the Contractor of his obligation to complete his contract within the contract time limits, nor shall it in any way terminate, cancel or abrogate the contract or any part thereof.

WARRANTY

Vehicle furnished shall be fully guaranteed by the Contractor for a minimum period of three (3) years or 36,000 miles or as warranted by the manufacturer, whichever is longer, following acceptance of proper operation on parts and labor against defects resulting from the use of defective or inferior materials or from negligent workmanship or against all design and manufacturing defects. Warranty period shall begin from the date vehicle is accepted and placed in service. Warranty documents shall be delivered with vehicle and shall detail manufacturer's obligation and warranty procedures. Contractor shall replace or repair defective material and/or workmanship at no cost to the State for parts and labor during the warranty period, provided such defects are not due to abuse or negligence on the part of the State.

All of the Contractor's or manufacturer's usual warranties shall become a part of the contract, except that the terms and conditions of the contract shall prevail in cases of conflict.

DELIVERY

Contractor shall furnish and deliver the vehicles specified herein within 90 calendar days of the official commencement date on the Notice To Proceed. The vehicles shall be delivered to the agencies specified on the attached specifications.

Prior to shipment, the contractor shall contact the appropriate agency to coordinate the delivery arrangements.

CERTIFICATES REQUIRED

The following items shall be submitted upon the vehicle's delivery to its specified location herein:

- a. Hawaii Safety Inspection Certificate (in duplicate) and decal;
- b. Application for Registration of Passenger Carrying Motor Vehicle, Form #DF-L-1 (Rev. 1/84) or its latest revision;
- c. Odometer Certificate;
- d. Notarized Certificate of Bill of Sale
- e. Certificate of Weight and Measures (required if factory furnished vehicle weight is unavailable; e.g., vehicles with post-factory modifications or alterations). Certificate must include make, model number, year and vehicle identification number. Verified weight in pounds must be officially machine-stamped; handwritten weight will not be acceptable.

These certificates are essential for the proper registration and licensing of new vehicles. Therefore, acceptance of and payment for the vehicle delivered will not be made without submittal of necessary certificates. The Contractor shall be responsible for registering and licensing of this vehicle; this procedure shall be conducted in the County where the vehicle is delivered. Contractor shall provide temporary license plates to be used during the interim period prior to acquisition of State of Hawaii license plates.

DELIVERY EXTENSION

Contractor shall complete delivery within the time specified in the contract. If the Contractor fails to deliver within the time specified, liquidated damages in accordance with the LIQUIDATED DAMAGES provision below shall apply. However, Contractor shall not be held responsible for the delay provided he notifies the Procurement Officer in accordance with GTC Section 6.11 TERMINATION FOR DEFAULT, subsection (D). Excuse for nonperformance or delayed performance, and the reason for the delay is one of the allowable causes for delay as provided for in Section 6.11 (D).

GTC Section 6.11 (D) is amended to include delay due to reason(s) beyond the control of the Contractor as a cause for delay for which the Contractor shall not be deemed to be in default. The Procurement Officer shall be the sole judge of whether such delay is truly beyond the control of the Contractor and whether the extension will be granted. No such extension, however, shall be deemed a waiver of the right of the State to terminate the contract or to assess liquidated damages for delays not covered by specific authorized extension.

Section 6.11 (D), second paragraph, last sentence, is replaced by the following:

"If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Contractor shall not be deemed to be in default, unless the goods or services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the Contractor to meet the contract requirements."

LIQUIDATED DAMAGES

Refer to Section 6.12 of the GTC. Liquidated damages is fixed at the sum of **FIFTY DOLLARS** (\$50.00) for each and every calendar day the Contractor delays in the completion of any item of this contract after the required date of said completion as stated on the Notice To Proceed.

Original and three (3) copies of the invoice shall be submitted to:

Department of Agriculture
Attn: Fiscal Office
1428 S. King Street
Honolulu, HI 96814

Each invoice shall reference the contract number.

A tax clearance certificate, not over two months old, with an original green certified copy stamp, must accompany the invoice for final payment on the contract. In addition to the tax clearance certificate, an original "Certification of Compliance for Final Payment" (SPO Form-22), attached, will be required for final payment. A copy of the form is also available at www.spo.hawaii.gov. Select "Forms for Vendors/Contractors" from the Hawaii Public Procurement Code, Chapter 103D, HRS, menu.

Amendments to the GTC:

Subsection 2.1 Competency of Offeror. Paragraph one is rescinded and replaced with the following:

“Prospective Offeror must be capable of performing the work for which offers are being called. Either before or after the deadline for an offer, the purchasing agency may require Offeror to submit answers to questions regarding facilities, vehicle, experience, personnel, financial status or any other factors relating to the ability of the Offeror to furnish satisfactorily the goods or services being solicited by the STATE. Any such inquiries shall be made and replied to in writing; replies shall be submitted over the signatures of the person who signs the offer. Any Offeror who refuses to answer such inquiries will be considered non-responsive.”

Subsection 2.5 Preparation of Offer. Paragraph four is rescinded and replaced with the following:

If an Offeror submits more than one offer per line item, then all offers for that line item shall be rejected."

GTC §3.1(B), paragraphs one and two only are rescinded and replaced with the following: "A purchasing agency shall review all specifications in a bid or proposal for purchase from the Hawaii products (HP) list where these products are available; provided that the products: Meet the minimum specifications and the selling price f.o.b. jobsite; unloaded, including applicable general excise tax and use tax, does not exceed the lowest delivered price in Hawaii f.o.b. jobsite; and unloaded, including applicable general excise tax and use tax, does not exceed the lowest delivered price of a similar non-HP by more than: three per cent where class I HP are involved; five per cent where class II HP are involved; or ten per cent where class III HP are involved."

All persons submitting bids or proposals to claim HP preference shall designate in their bids which individual product and its price is to be supplied as a HP.

The lowest total bid or proposal, taking the preference into consideration, shall be awarded the contract unless the bid or offer provides for additional award criteria.
